19th March 2025

Dear Parents/ carers,

This half-term children across the school are invited to take part in creating their own Egg Scene Diorama.

The rules are simple: take a shoebox (or similar sized box) and using a blown egg and your imagination – create any scene you can think of!

This could be a random scene, a scene from a book, film or TV programme, a famous scene, a religious scene. Absolutely anything at all - be as creative as you can!

We have made an example to give you an idea of what it might look like, this is our simple beach scene. Please ensure the eggs used are only shells. Details how to do this are on google.

The deadline for entries is the 9th of April and children will be able to view each other's creations in a gallery. All children who take part will get a prize.

Please send in any creations the last week of term week beginning: 7th April 2025.

Get creative!

Miss Hinton.
