### Virtues and Values:

This half term we are concentrating on being 'Curious and Active' As a school community we are looking for opportunities in our own lives where we show the virtues. Please discuss this with your children at home; highlighting times when you experience or show these virtues.

**Certificate winners will receive a certificate in the Thursday afternoon assembly. Parents will receive a Weduc invite to share the special time.**

### Remembrance Day:

This Remembrance Day the children will be painting beautifully made poppies out of recycled plastic bottles. We ask parents if they could please hand in empty, washed out 2L bottle bottoms to their child's teacher. These will be displayed on the school fences for all to see.

### New School Year:

With the new school year starting, we ask that parents make sure their contact information is up to date with the school office. You will be receiving in the next few days a photo consent form, we must have this signed every academic year. Please make sure it is completed as soon as possible and sent back.

### Recent Events:
